

# Year 4 Newsletter

Dear Parents,

## Science

This half term we will be learning about teeth and their functions and we will be revisiting our previous learning on everyday materials. We will also be looking at appliances that run on electricity and making our own simple circuits.

## PE

Year 4 PE will take place every Monday afternoon.

## Music

Brass lessons with Miss Trainer will continue to take place on a Monday afternoon this term. Please could you help your child remember to bring in their instruments on a Monday morning and also encourage them to practise at home as much as possible.

## Maths Challenges and Times Tables

We will be continuing with our Learn It's, CLIC and Safe tests each week as well as

times tables.

## Reading

This half term we will be continuing to read Roald Dahl's *James and the Giant Peach* and each week we will be answering questions based on the text. Your child will be asked to do some reading at home as well to ensure we complete the book by the end of the term.

We will continue to check Reading Records every Friday morning and will reward children with points and stickers as appropriate.

## Year 3 /4 Production

This half term Year 3 and 4 will be working very hard on the production of '*The Emerald Crown*.' The play is based in the Amazon Rainforest and looks at the issues around deforestation.

The children have all been given a part and know what their role in the play is. Please

could we ask for your support in helping the children to learn their lines and organise their costumes?

## Bikeability

On Friday 28th February, Year 4 will be completing the Level One Bikeability Cycle Training on the school playground. Please make sure that if your child is taking part, that they come prepared with their bike, helmet and suitable clothing—jogging bottoms, warm coat and thin gloves. Please also ensure they have their school uniform in school for Work on the Month.

As always, if you have any concerns, please do not hesitate to get in contact. Thanks again for your continued support.

*Mrs. Graham  
Mrs. Preston  
and Mrs. Cook*

Spring Term 2

February 2020
